Madras Medical Service--Civil Assistants Surgeons--Recruitment of war Service Candidates--List Approved.

GOVERNMENT OF MADRAS.
PUBLIC (INFORMATION AND PUBLICITY) DEPARTMENT.

PRESS NOTE NO.235.

Dated, Fort St. George, the 11th October 1947.

Under the existing rules for the recruitment of war service Personnel in the Madras Medical Service and the Madras Public Health Service, 66 and 2/3 per cent of all substantive and temporary vacancies in the cadre of Civil Assistant Surgeons (Class I)-Men's Section - and First Class Health Officer available on the 31st March Public Service Commission has interviewed about 560 war service candidates for selection for appointment in these vacancies and forwarded to Government two lists containing the names of candidates (arranged in the order of merit) considered by them to be suitable for appointment to these vacancies. The Civil Assistant Surgeons' list contains 141 names and the First Class Health Officers' list contains 21 names. The Commission has intimated that about 35 war service candidates have yet to be interviewed by them and that if, after interview, it is found that any of them are more suitable than those whose names are found in the lists already forwarded, preference will have to be given to them. The Government have decided to accept the names in the lists now forwarded by the Commission, which are appended, and to select these candidates for provisional appointments, subject to the following conditions:

(a) The candidates may have to give place, in the order of merit, to candidates from among the 35 candidates yet to be interviewed by the Madras Public Service Commission and placed above them by the Commission after the pending interview.

(b) Certificates of physical fitness will have to be produced by these selected candidates.

In view of these conditions, the Government have decided to appoint candidates from the lists appended in a temporary capacity under the emergency provisions contained in the General Rules for the Provicial and Subordinate Service.
